## Codes

| Code | Designation                    | Code type |
|------|--------------------------------|-----------|
| A1A  | Front axle with air suspension | sales     |
| A1D  | Front axle 8.0 t               | sales     |
| A1Z  | Front axle, offset version     | sales     |

## XENTRY Parts Information

| Code | Designation                                      | Code type |
|------|--|-----------|
| A2E  | Rear axle, crown wheel 440, hypoid, 13.0 t       | sales     |
| A5A  | Axle ratio i = 2.278                             | sales     |
| B1B  | EPB with ABS and ASR                             | sales     |
| B1D  | Electronic air-processing unit, medium           | sales     |
| B1F  | Heating, electronic air-processing unit          | sales     |
| B2A  | Disc brakes on front and rear axle               | sales     |
| B3H  | Water-type secondary retarder                    | sales     |
| B4A  | Condensation monitoring, for compressed air sys. | sales     |
| B4M  | Air reservoir, steel                             | sales     |
| B5J  | Brake and electrical connections, low            | sales     |
| C0G  | Frame overhang 1050 mm                           | sales     |
| C1W  | Wheelbase 3700 mm                                | sales     |
| C5B  | Step plate above frame, partial cover            | sales     |
| C5D  | Step, behind cab, left                           | sales     |
| C6C  | Steering, single-circuit                         | sales     |
| C6I  | Power steering pump, controlled                  | sales     |
| C7F  | Front underride guard (ECE), aluminium           | sales     |
| C7T  | Integral rear end                                | sales     |
| C8B  | Rear wing, 2550 mm vehicle width                 | sales     |

## XENTRY Parts Information

| Code | Designation  | Code type |
|------|--|-----------|
| C8H  | Wing, three-piece, with EC splash guard            | sales     |
| C8I  | Splash guard (EC), front                           | sales     |
| C8Y  | Aerodynamic underbody panelling                    | sales     |
| D0S  | Compressed-air connection, in cab                  | sales     |
| D1C  | Driver's suspension seat, comfort                  | sales     |
| D1N  | Fold-up co-driver's seat                           | sales     |
| D2N  | Driver's seat backrest, release mechanism          | sales     |
| D3B  | Luxury bed, bottom                                 | sales     |
| D3Q  | Seat cover, velour, driver's seat                  | sales     |
| D3T  | Seat cover, velour, co-driver's seat, centre seat  | sales     |
| D4T  | Curtain, along side of bed(s)                      | sales     |
| D4Y  | Sunblind, side, driver's side                      | sales     |
| D5Y  | Rubber mats, driver's and co-driver's side         | sales     |
| D5Z  | Carpet, engine tunnel                              | sales     |
| D6F  | Air-conditioning system                            | sales     |
| D6I  | Residual engine heat utilisation                   | sales     |
| D6M  | Auxiliary hot water heater, cab                    | sales     |
| D7A  | Heat insulation, additional                        | sales     |
| D7G  | Stowage compartment lid, driver and co-driver side | sales     |

## XENTRY Parts Information

| Code | Designation                                       | Code type |
|------|---|-----------|
| D7J  | Drawers, under bed                                | sales     |
| D7K  | Drawer, under dash support                        | sales     |
| D7R  | Stowage flaps, above windscreen                   | sales     |
| D8N  | Tilting sunroof, electric                         | sales     |
| D9A  | Pre-installation luxury bed, top, wide            | sales     |
| E1C  | Batteries 2 x 12 V/220 Ah, low-maintenance        | sales     |
| E1N  | Alternator 28 V/100 A                             | sales     |
| E2J  | Automatic cutouts                                 | sales     |
| E3A  | Voltage transformer, 24 V/12 V, 10 A              | sales     |
| E3B  | Connection point 12V/15A, for auxiliary consumers | sales     |
| E3E  | Additional socket, 12 V/15 A, co-driver footwell  | sales     |
| E3M  | Socket, 24 V/15 A, behind seat                    | sales     |
| E3R  | Power socket, 24 V/25 A, co-driver footwell       | sales     |
| E4A  | Communications interface (KOM)                    | sales     |
| E5A  | No. 1 switch, for non-MB body electrics           | sales     |
| E5B  | No. 2 switch, for non-MB body electrics           | sales     |
| E6A  | Trailer socket, 24 V, 15-pin                      | sales     |
| E9G  | Provision for fitting electrical devices          | sales     |
| E9I  | Pre-inst., switch, lift axle, semitr./trailer     | sales     |

## XENTRY Parts Information

| Code | Designation  | Code type |
|------|--|-----------|
| F0X  | Mirror cover, on-road vehicle                      | sales     |
| F1I  | L-cab StreamSpace, 2.50 m, level floor             | sales     |
| F1R  | L-cab  | sales     |
| F2A  | Floor variant, flat floor                          | sales     |
| F2H  | Cab width 2.50 m                                   | sales     |
| F2P  | Cab, 765 mm attachment height                      | sales     |
| F2W  | StreamSpace  | sales     |
| F3B  | Cab mountings, comfort, steel-sprung               | sales     |
| F3W  | Cab tilting mechanism, mechanical-hydraulic        | sales     |
| F4H  | Cab rear wall, without window                      | sales     |
| F4X  | Stowage compartment exterior flap, left            | sales     |
| F4Y  | Stowage compartment exterior flap, right           | sales     |
| F5B  | Air deflector, snap-in, with cab side deflectors   | sales     |
| F5L  | Sun visor, exterior, transparent                   | sales     |
| F5Y  | A-pillar trim                                      | sales     |
| F6C  | Windscreen, tinted                                 | sales     |
| F6I  | Front mirror, heated                               | sales     |
| F6L  | Main mirror, manoeuvring setting, co-driver's side | sales     |
| F7A  | Bumper, with plastic corners                       | sales     |

## XENTRY Parts Information

| Code | Designation  | Code type |
|------|--|-----------|
| F7C  | Bumper centre section with towing eyes             | sales     |
| F7T  | Door extension                                     | sales     |
| F7X  | Cab entrance, left/right, rigid                    | sales     |
| F8B  | 2 remote control keys                              | sales     |
| F8E  | Locking system, with central locking               | sales     |
| F8F  | Extended central locking                           | sales     |
| G0T  | Predictive Powertrain Control                      | sales     |
| G0U  | Drive program economy                              | sales     |
| G2B  | Transmission G 211-12/14.93-1.0                    | sales     |
| G5A  | Single-disc clutch                                 | sales     |
| G5G  | Mercedes PowerShift 3                              | sales     |
| H2C  | Fifth-wheel lead +600 mm                           | sales     |
| I1Y  | Tyres, tubeless, size 295/55 R 22.5, rear axle     | sales     |
| I2I  | Tyres tubeless, 355/50 R 22.5, fr./lead./trl. axle | sales     |
| I4A  | Wheel arrangement 4x2                              | sales     |
| I5A  | 18.0-tonner  | sales     |
| I6D  | Semitrailer tractor                                | sales     |
| I6K  | Heavy-duty model series, new generation from 18 t. | sales     |
| I6N  | Heavy-duty vehicles from 18 t, on-road             | sales     |

## XENTRY Parts Information

| Code | Designation  | Code type |
|------|--|-----------|
| I6V  | Air suspension, rear axle, lowliner                | sales     |
| J1A  | Instrument cluster, 10.4 cm                        | sales     |
| J1R  | Tachograph, digital, EC, rpm, ADR                  | sales     |
| J1S  | Tachograph manufacturer VDO                        | sales     |
| J2C  | CD radio, Bluetooth, comfort                       | sales     |
| J2K  | Speaker, 2-way system                              | sales     |
| J9A  | Pre-installation for CB radio, 12 V, DIN slot      | sales     |
| J9C  | Pre-installation for FleetBoard for JADE           | sales     |
| J9D  | Provision for fitting toll tracking                | sales     |
| J9X  | Deselection of FleetBoard (no MB connectivity)     | sales     |
| K0T  | Main tank, left                                    | sales     |
| K0W  | Second tank, right                                 | sales     |
| K1G  | 660lfuel tank+75lAdBlue,left,735x565x2200 alu,step | sales     |
| K5M  | Tanks, lockable                                    | sales     |
| K6Q  | Second tank, 330 l, right, 735 x 565 x 950 mm,alu. | sales     |
| K7D  | Exhaust system, tailpipe to right and outwards     | sales     |
| K8B  | On-Board Diagnosis, exhaust gas with NOx check     | sales     |
| L1N  | Fog lamps, LED day run. lamps, corner. light func. | sales     |
| L3A  | Floodlight, bottom                                 | sales     |

## XENTRY Parts Information

| Code | Designation   | Code type |
|------|---|-----------|
| M0C  | Bottom shell to prevent swirling-up of dust                   | sales     |
| M0E  | Torque increase in 12th gear                                  | sales     |
| M0S  | Noise encapsulation in accordance with ECE                    | sales     |
| M3B  | Eng. OM471,inline 6, 12.8 l,330kW (449hp),2200 Nm             | sales     |
| M5U  | Exhaust brake, standard system                                | sales     |
| M5Z  | Engine version, Euro VI                                       | sales     |
| M6M  | Air compressor, 2-stage, for optimised consumption            | sales     |
| M7I  | Insect screen, in front of cooling system                     | sales     |
| M7K  | Radiator shutter  | sales     |
| M7T  | Water pump, governed  | sales     |
| M8B  | Air intake behind cab, mounted                                | sales     |
| M8T  | Coolant filter  | sales     |
| O0B  | Coolant service interval, long for secondary coolant retarder | sales     |
| Q4G  | Fifth wheel coupling height = 140 mm                          | sales     |
| Q4W  | Fifth wheel coupling, low-maintenance                         | sales     |
| Q5L  | Fifth wheel coupling incl. plate, Jost JSK 42MK               | sales     |
| Q6F  | Mounting plate, included in semitrailer coupling              | sales     |
| Q6Z  | Fifth-wheel coupling with hole pattern                        | sales     |
| R0Z  | Wheel nut cap   | sales     |

## XENTRY Parts Information

| Code | Designation                            | Code type |
|------|--|-----------|
| R1Q  | Tapered rims, 9.00 x 22.5              | sales     |
| R1T  | Tapered rims, 11.75 x 22.5, front axle | sales     |
| R8F  | Spare wheel carrier, provisional       | sales     |
| R8P  | Spare wheel/spare wheel rim            | sales     |
| S1D  | Stability Control Assist (ESP)         | sales     |
| S1Y  | Tyre pressure monitoring system        | sales     |
| S5A  | Speed limiter, 90 km/h (56 mph), ECE   | sales     |
| S5Z  | Cruise control                         | sales     |
| S8A  | First-aid kit                          | sales     |
| S8C  | Warning triangle                       | sales     |
| S8D  | Warning lamp                           | sales     |
| S8E  | Reflective safety jacket               | sales     |
| V0S  | Vehicle class N3                       | sales     |
| V1A  | Actros New                             | sales     |
| V1X  | Volumer                                | sales     |
| V2A  | Actros model generation 1              | sales     |
| V6A  | Min. spec., tractor units              | sales     |
| V8A  | Chassis number FIN                     | sales     |
| W9Z  | Weight variant 18.0 t (7.5/11.5)       | sales     |

## XENTRY Parts Information

| Code | Designation  | Code type |
|------|--|-----------|
| X2A  | Model identification, acc. to weight variant       | sales     |
| X2E  | Model plate, EU                                    | sales     |
| X2N  | L information plate, night driving ban, Austria    | sales     |
| X2S  | Control book                                       | sales     |
| X2Z  | Registration certificate, Part II (letter)         | sales     |
| X3O  | Mercedes-Benz OnRoadService                        | sales     |
| X3W  | Powertrain warranty as per T and Cs 3yrs/450,000km | sales     |
| Y1X  | Pull-out refrigerator, under bed                   | sales     |
